What is a forum, anyway?

- Center of Rome
- Surrounded by **formal institutions**
- The common area
- Where people meet and talk

Your boss

Your stakeholders

Your forum

Your users

Your coworkers

Your boss

- His focus:
- Make the **trains** run on time
- Your focus:
- **Talk** to him about a record of success
- **Make change happen** by leveraging that record

Your stakeholders

- Their focus:
 - The **new features**
- Your focus:
 - **Talk** to them about priorities, best practices, and how best to earn their trust
 - **Make change happen** by giving them what they need, not just what they want

- Their focus:
 - Doing their jobs, and what you can do to **make their lives better**
- Your focus:
 - **Talk** to them about pain points, confusions, training, and easy wins
 - **Make change happen** by empowering them: ask their opinion and listen

Your users

- Their focus:
 - Do their jobs, which is easier if you **never change anything**
- Your focus:
 - **Talk** to them about friction, expectations, and tradeoffs
 - **Make change happen** by coordinating better processes to free up time

Focus,
continually applied,
becomes **culture**

Focus ► Culture

- Do you have a culture of **talking** to each other?
- Do you have a culture of **making change happen**?
